“ To Nancy, family & friends,

The memorial service, today, was a testament of how much of an impact Dick had on many people. My heart goes out to each of you in your time of loss. Dick and I had only known each other, as mayors, for a brief time, but he instantly became my mentor. In that brief time, we got to know each other quite well. Many of the things he said will resonate, in me, for many years to come. His service for community and our valley region is one in which it will be hard to follow.

Much love,

Mayor Jamie Hunt
Borough of Emlenton

“ Mom and I were very saddened to hear of the passing of Dick. I had spoken to him recently here in Foxburg and he seemed to be doing well. Know that he and your family are in our prayers at this difficult time.
