“ So sorry to hear of Arlene passing. She was a wonderful friend. I stopped by to visit with her over a year ago, seemed a long time had passed by, but she had remained the same. She remembered who I was and the times I spent with Barney. Great lady! My sincere sympathies to the family.

“ Arlene was a very dear friend in my younger years. We kinda lost touch with each other thru the years but i will always remember her a very good friend. When she found out i was getting married she volunteered to make my wedding flowers as my wedding present. They are gorgeous to this day. Rest in peace Arlene. The reunion in heaven with John and Barney and your relatives will be a celebration only God could put on.

“ Aunt Arlene was always such a fun aunt! Always smiling and saying funny things. As a kid I always loved when she came to visit and help out because there was so many of us. I loved her meatloaf. She never did share that recipe with me. RIP Aunt Arlene. My condolences and prayers for her beloved family during this difficult time. Debbie Shook Osier

“ *Arlene was a faithful friend and supporter of the work of the Lord Jesus Christ. She manually helped to build the Wesleyan Church at West Freedom giving of her time, energy and financial support. She labored as a Sunday School teacher, Treasurer, and janitor for 45 plus years. Her faith has now become sight and she is enjoying her rewards. We can't begin to tell of all the wonderful times we shared together as she was just like a member of our family. We were more like brother and sister than just a member of our church. Arlene's voice and presence will be sadly missed. Our lose is Heavens gain. We regret that because of our own physical problems and the covid virus that it is not possible to visit at this time. We send our love and prayers for Carol, Jim, Pat. and the rest of the family. May the Lord come alongside and give you comfort knowing that all is well with Arlene.*
