“ My memory was as a teenager her sister Midge and I would go to her house for picnics and weiner roasts. Also remember swimming in her pool. Great woman.

“ Aunt Betty, there are so many memories! One that we always laughed about was her chasing me with a rolling pin because I was being a brat to my Sainte Grandma Mable. As a child I really thought she was going to get me but knowing Aunt Betty, she was teaching me a very valuable lesson in life. Believe me I never was disrespectful again. She also taught my youngest child to walk( she was 13 months old!) by using a child's rocking chair. I will always love her and Uncle John forever. I even remember Bobby,how close we where as children .we where number one and two. I just know in my heart the three of them are happy together again. Praying for the family she left behind, I love you all.
