“ *"Booty's" Family: As the "older" sister of my great friend and "Best Man" I am so sorry to hear of her death. She and husband Jim tried to keep Chuck and I out of trouble as teen agers. She played at both my dad's and mother's funerals and would not accept any payment. She accepted only donations tp the choir's music fund. Her playing of the organ at services was both enjoyed and appreciated by church members. Her death closes my long and enjoyable association with the "Chuck" McNaughton family.*

“ *I am so sorry for your loss. I can still remember as a very young child getting my hair cut at the beauty shop. Your mom was always so kind. I have pictures of me sitting in the chair and her beside me. I remember her giving me a little tiny plastic purse that had a plastic hair bonnet in it - I thought that was wonderful! I think of her often when in Parker and making the turn where I can see the shop. You are in my thoughts and prayers.*

“ Don, Tena, Ken and family. Thank you so much for the privilege that was given to me to care for and be with this beautiful lady as she ended her worldly journey only to begin her eternal walk with her Lord. I will greatly miss her smile, her little smirks and her presence. Blessings my friends. Teresa
