“ *To Brian's family and close friends, please accept my deepest sympathy on this very difficult loss of such an incredibly decent and good human being. Although I hadn't seen Brian since we graduated, I was very sad to hear this news. Brian stuck out in my mind as someone who was always very strong and steady and - kind and gentle. I am sure he fought his cancer battle in similar fashion. I am so very sorry the world has lost one of it's bright lights. Please know many will cherish his memory and you will always have your beautiful precious memories of your son, brother, fiance, grandson to grab on to during this difficult and impossible time of life.*

He will be with you always now and lean on your faith as best as you can. Much love and prayers of peace for all of your fragile hearts, Kelly Quinn

“ My Deepest sympathy to your entire family as you grieve the loss of your precious son. I know your pain is deep and will keep you in my prayers. I also wanted to share that remember Brian very well. I remember him as a tough and aggressive football player on the field in High School and a Real Gentleman off the field and in the classroom. He is a top example of how a student athlete should behave, a real class act. Brian was a huge contributor to the success of his team while he played at Keystone High School and we had a particularly special season that he played a big part. He will be missed by me and want you to know that I will keep his memory a part of me, always. I share your sadness and send many healing prayers to you all.
Sincerely, Coach Quinn
