“ So sorry to hear of Dennis' passing. I remember living across the street from him in Parker and my sisters and I would go over and play games with him when he was sitting on the front porch. Such a gentle soul, he will be missed by everyone who knew him. He is at peace and free from pain finally.

“ Dennis was such a sweet, sweet man and will be remembered with smiles. He came to our church services the first Saturday of the month and would have fun teasing and being teased by my nephew Don Bolt who led the service and the singing. God took him home where there would be no more pain. It is sad to know he won't be there but I can't even think of Dennis and not smile with my whole heart!
