“ Kathy & Family,
Please know that you have my deepest sympathy on your loss. I know that there is little I can say to console you but please know that my thoughts and prayers are with you and your family during this time. Look to sky for comfort. They say, "Perhaps they are not stars in the sky, but rather openings where our loved ones shine down to let us know they are happy. "

“ Kathy & family,
Jay, Luann, & Eddie,

We are so sorry for your loss. We have alot of fond memories of Donnie. He was like one of my brothers. Growing up with you guys & remembering all the great times can never be taken away from us.

With living in small town we became one big family indeed. Through the years always enjoyed the visits we have had when coming home to Parker. We will truly miss our friend. Jeff & Kathy will take care of our brother for us until we join them.

Our deepest sympathy to you all.

“ Dear Kathy and the entire Whyte family,

I am sorry for your loss. Even though we know how difficult it is to lose a loved one, you can find comfort and strength in the hope of eternal life, love of family, and the prayerful support of friends. Know that Donnie was a wonderful man who gave of himself unselfishly making a difference in others lives and his community.

Even though he is no longer physically with us, his spiritual presence, his memory, and his legacy will never die. we remain grateful to God for his fifty-nine years of fruitful life and his example to all of us. May you rest in peace Donnie! With prayers and memories. Donnie will be remembered in my Mass tomorrow morning.

“ *I have many fond memories of growing up in Parker, with Donnie. He was affable, polite, and always ready to help, whether it was waiting on me behind the deli counter or while we were diligently involved in building our teenage hang out in the woods. Donnie will be missed, by the whole Parker Community. May the Lord give you peace and strength, and please know you all are in our thoughts and prayers.*

“ I have great memories of your brother Donnie, whom I was honored to meet as a young man in my Class of 1974 at ACV. He was always a wonderful, caring, and honorable person back then in our childhood days. Your brother, father, and nephew has touched so many people in his life and will never be forgotten by all. I and my family prayer for your lose, but remember he is an angel praying and watching over all of us so that we may all meet again.

Our deepest condolences to your family and may his soul ascend into the kingdom of heaven where he has earned that place. Our love to all,

Don, Sandra, Ian, Ina, and Nia Oglesby of New York.
