“ *Lisa, Bill and Sadye
With our deepest sympathy in the loss of your beloved Mom and
Grandmother.
Becky and I were school chums for many years at Parker
Elementary. Although we lost touch, she and her family came to
mind often. May she rest in peace.*

“ Dear Lisa and family: So surprised to hear of your DEAR mom's passing. Becky and I had many memorable moments together for many years as we watched you grow up. She loved you so very much and was so proud of you always. She was a sweet lady and will be missed. Be comforted to know she is with the Lord and with her dear parents together in joy and happiness in Heaven.

“ *Becky was a good friend to Melanie Dunkle . That's how I met her.
We had a lot of funny adventures together. She was a great friend
and loved the lord. She would come to our Bible study as the Parker
Personal Care Home until it got to hard for her to come out of her
room. I am sure she is in Heaven rejoicing with Mel and her
Parents.*

“ I'm so sorry to hear this. I've known Becky all my life. We grew up on the same street together. I would go over to her house to play when we were little. I saw her sometimes at Clarview. She was a very sweet person and will be greatly missed.
