“ There is not a day that goes by that I don't think of Grandpa and the memories made as a young boy playing on a farm in Pennsylvania. My father was never a part of my life and I considered Grandpa as the dad I always needed. If I end up being half the man he was I will have succeeded in life. I will miss you everyday, and has always been and will be I live in the reflection of the values you taught me. Love you Grandpa, rest in peace.
