“ *I remember going to her home and having a playdate with Edith when we were in grade school. She was always nice. Later I remember going to the post office. She always had an infectious smile. Lost track of her till last year when I would visit with her in the halls of Clarview. Prayers to her family. My God lay his calming hand on you at this trying time. I'm not going to make it to the viewing since I have had the flu and the cough n don't want to share it. Hugs Edith.*

“ *Gerre will always hold a special place in my heart! I did a lot of her longarm quilting. She was my very first paying customer when I started my business. She always encouraged me and provided beautiful quilt tops for me to work on. I feel I truly owed my success to her. I consider her a dear friend. She was a wonderful lady and an impeccable quilter. She will be sorely missed by everyone who knew her.*
