“ Ned, Barry and family, I spent some time this week reminiscing about the great times I had with John and Helen as a child and the impact they had in my life. Their home, and hearts, were always open to me, and they treated me like family. They showed such genuine interest in my life as an adult. Every visit began and ended with BIG hugs, and they prayed for me at every visit. I miss those visits, and those simple times, because there was never any sadness or worry when visiting with this lovely couple. Only John's big smile, Helen's wonderful laugh, and love and encouragement from both of them. I'm sure they greeted one another with BIG hugs last week. Rest in peace Helen. You and John will both be missed.

“ Dearest Ned,
So sorry for your loss.Â Aunt Helen was a dear woman and such an example of what it looks like to live life dedicated to Jesus and to love people.Â I have such fond memories of walking across the street to visit her when we would visit Grandma in Dutch Hill (many memories involve soda pop, a special treat to me as a child, and your Mom's contagious laugh).Â I send my love and prayers and wish I were able to be present to remember Aunt Helen's life.
Love,
Liz Bowser Merrill (Uncle Hop's daughter)
