Aunt Icle always remembered our birthdays, anniversaries and never missed a holiday. Her memory was incredible. I remember one visit to Aunt Icle and Uncle Ken when we were still young and it was around Christmas. Marsha and I were were looking at her piano and Aunt Icle sat down and started playing Christmas carols to sing along. She didn't even need her sheet music!!! And she could whip up a quick meal without any pre planning. She made a grilled cheese sandwich taste like a gourmet meal. She always showed us love. You will be missed. Your great niece,
Deanna
