“ I am so sorry for the loss of your husband, brother, and uncle. May the Lord comfort you during this time. Your family was special to my family. One time Betty gave my mother advice to help her take care of my dad's prize breeding pig and can it. Of course when my dad found out about it, he was upset, but it never got into mother's garden again!

“ So sorry for your loss. Was glad to be there for the viewing. Can't believe that worked out that way.....so glad it did. Sorry we couldn't get together ..time was running out for me before we had to go back to Anderson. We didn't even see family. just needed more time. Hope the flight back to Florida goes well. Talk to you soon .. Bless you...you've been great friends !!

“ Please accept my sincere sympathies on this loss. I'm sure he was met by many of the former Quaker State employees(including my Dad, Bud) who have gone on before him. Cherish your memories and know that you are in my prayers.
