“ To the Dehart, Rose and Pipher family I'm so sorry about the death of your loved one and a very special woman in my life. I think of her fondly and recall all those days we enjoyed each other's company on School Bus 9. She was a real trooper to drive a school bus all those years. And many of us loved her for that. Take care. I'm sorry I'm unable to join you today for the memorial service. But my thoughts are with you. Kay Stephens, Altoona, Pa.
