“ Sending our condolences to your family. I always loved visits up north with my parents especially when they included visits with Janet, Don, Clarissa, Cindy and Rex. Your family has always made us feel welcomed. I loved the stories my parents shared about what they all did as friends and you always made me feel like family. Cindy and Rex, you were there for us when we lost our parents and I am so grateful to you. I only hope we can somehow return the kindness and love back to you. Please let us know of any memorial dates so we can all be there. Love you all like family. Linda, Greg and Joe Gossler.
