“ Dad, my heart is broken. You've been gone almost a month, and each day, the shock and devastation feels as raw as the moment that they called me back to tell me you didn't make it.

I miss you so much. I dreamt you were still alive, and it was all a mistake. There is a hole in the family, a big one, that is like a giant wound that still hasn't begun to heal.

My dad. I love you and miss you so much.
