“ *My sympathy to Ken's family. He was my good friend for almost 30 years and over the years, I think we saw and did everything of interest between Pittsburgh and Erie. Ken knew how to get to anywhere in western Pa. on the "back roads". Our bad health ended our little excursions, but we talked almost every week on the phone. I will

“ *So sorry to hear of ken's passing. He was a great guy. My husband loved stopping to visit with him when he was near his house with the tractor. Ken even helped once in a while with the other tractor. Hopefully they are both having a great time. Surely there are tractors in heaven.*
