“ Leanna was a good friend. I met her when I was a volunteer for the Fairfax County (VA) Police Department. She always showed up at my birthday dinners. I was shocked to hear of her passing .I didn't attend her funeral because I did not hear of the arrangements until too late. I will miss her and know that she is in a bettter place and is reunited with all the dogs she seved. Rest in peace my good friend.

“ I have known Leanna 19 years and I'm still in shock she was the step aunt to me and great friend. All the years I have known her listening to her stories of her trips made me so happy. I will never forget her.
