“ Greetings to the family!
Just to let you know - I thought the world of Mary! I visited her - probably for 10 years or more - during her years at Trinity. I remember visiting her when she was 'in' personal care - and how she grew poinsettias! I was amazed - at a bit envious of how she did that! All during those years she continued to BE Mary! She certainly had her 'ups and downs', yet she was still Mary! What blessings! May you, the family be blessed with many, many wonderful memories!
