“ I have some very good fond memories of Diane. She was a neighbor when I lived in Foxburg as a small child. I and my four sisters had so much fun with her riding in the hoopie over the Fox Estate roads and playing in the snow in the winter time. My sincere sympathies for the family.

“ *Diane was one of my most favorite people. I so enjoyed getting to know her when her grandchildren were participants in the First Program. I always looked forward to seeing her every two weeks for several years. We always had the best conversations about anything and everything. She made me feel so welcomed in her home and treated me like I was a part of her family. The day that Mckenna graduated out of the program was a bittersweet day for me... my time with the Chamber's family had come to an end. I feel so blessed that I had the opportunity to get to know Diane and I am so grateful that I can call her my friend. Thinking of you all during this time.*
