

Patrick James Marron

August 7, 1980 - June 25, 2022

Patrick James Marron 41, of West Sunbury, PA passed away Saturday morning June 25, 2022, surrounded by the people he loved the most. He was born on August 7, 1980, and is the son of Jim and Ann Jenkins Marron who survive. He was a graduate of AC Valley High School, PSU Dubois, Edinboro University, and the Clarion University Venango Campus Electric Lineman school. It was in the latter that he found his true calling as a lineman, most recently at Central Electric Cooperative in Parker, PA. 40-hour work weeks and ideal weather conditions are a rarity for any lineman. Whether it was sub-zero temperatures, extreme heat, blizzards, thunderstorms, or remnants of hurricanes, Pat never complained about the weather he had to work in or the long hours his job required. He enjoyed hunting, fishing, and spending time at his camp. But his passion, as well as his pride and joy, were his hunting dogs Sniper, Wicked, and Beau. Any free minutes he had were spent training with them. There was nothing he loved more than spending days chasing cottontail rabbits and snowshoe hare with Sniper, Wicked, and Beau, along with any friends and family he could talk into tagging along. In addition to his parents Jim and Ann he is survived by the love of his life Kristi Simpson, brothers Chris (Erin) and Mike (Jenn), nephews Jonathan and William, grandmother Elsie Jenkins, along with numerous aunts, uncles, and cousins. Visitation will be held Wednesday, June 29 from 2-8 pm at the H. Jack Buzard Funeral Home in Parker (201 S. Wayne Ave.) The funeral will follow on Thursday at 10 am at the funeral home. Interment will follow at Parker

Presbyterian Cemetery. Donations in lieu of flowers can be made to North Butler Hunting and Fishing Club Kids Fishing Fund 129 Hemlock Road Petrolia PA 16050.

“ I can remember many years ago spending hours upon hours with him lifting weights at the school. I thoroughly enjoyed lifting with him as he was a truly good person. I still use one of his tricep exercises he taught me 15yrs ago... 7x7x7s which was a combination of skull crushers, behind the head pull overs and followed by presses without stopping " alright that's one set two more to go, your gonna feel it" he said.

“ Jim, Ann and the entire Marron Family,

Don and I are shocked and saddened by the death of Pat. We have such great memories of all of the boys growing up but especially Pat because you could always count on him to make you laugh. Certainly the most memorable day was the first day of trout fishing when he fell in the creek and Jim brought him down to our house and we had to dry him off and put all of his clothes in the dryer so he could go back fishing. Don just talked to him not long ago when He was down here on an outage and Don was so pleased to see him and and talk to him again.

We will keep you in our prayers and we do understand what a horrible loss this is to your entire family. You have our deepest sympathy. Don and Karen Durochia
