“ Uncle Dick, what can you say. You can say you drove a clown car, drove a hot rod (GTX). I remember as a kid I would say black and you would say white. Riding on the back of your motorcycle leaving grandma Ealy's you said asphalt or gravel, of course I said asphalt and you went gravel to Hooker. That's just the way you were. I will never forget the times we spent together and the stories I heard about you. Rest in peace. Say hello to mom, dad, grandma and granddad. I miss you all.
