“ Our deepest sympathies on Bob's passing. Bob was a wonderful grandpa and great grandpa. You couldn't ask for a funnier man who always had a smile on his face and a story to tell. So sorry we couldn't be there in person. Bob will be missed by many. RIP Bob

“ We had the honor to get to know Bob while my wife's father Howard Walters was in the friends unit at Jefferson Manor. We lost him on December 19th. and the last time we saw Bob was the 23rd.

He always had a smile and made us laugh when he told us about his early years. We really hit it off because he grew up in the oil patch as did myself.

I remember the last time we talked with Bob . He was lying in bed getting his food through the feeding tube. He did not have his teeth in and I asked him if Santa Claus was going to bring his teeth back . He just smiled and said "he can just keep them" !!

I wish I had more time to get to spend with Bob. But like we always say hindsight is always 20-20 .

Thank you Bob for your friendship and may Choirs of Angels sing thee to thy eternal rest !

May our Blessed Lord and Savior Jesus Christ be with each and every one of Bob's family and friends at this time. Thank you-Betty & Thom
