“ *What a nice guy. He was like a second dad to me growing up. Funniest thing I remember is when Sherry and I got home late (or it could've been real early morning) LOL!! He was on the porch waiting. I said hey I'll talk and see ya in about a week when things calm down.. always enjoyed talking and visiting with him and Lois. Good times! Another time was when we were all getting out of their pool and standing on the back steps and it collapsed he says I didn't know I hired a wrecking crew. He will be missed. Love you guys and I'll keep you in my prayers*
