“ My heartfelt condolences to the Trill family. So sorry for your loss and deeply saddened upon learning of Bob's recent passing. Bob and I were boyhood friends from before we even entered the 1st grade at the old Parker Grade School until we both graduated from Parker High School, 'The Mansion on the Hill'. Bob and I shared so many adventures together living in Butler County in an environment of total outdoor freedom where we created our own fun and learned from our mistakes. Bob was a big part of a joyful youth period for me. We only reconnected one time as adults and I will miss him.

“ Crystal and Mike and Family I am so sad to hear of your dad's passing. Everyone has a favorite adult as a preteen. He was mine. Always smiling and happy. When I'd walk down the street he'd always sit with me for a few minutes. Have always remembered fondly my Euclid Avenue neighbors. Hearing of his passing made me cry. RIP Bob.
