“ Dear family, We share your sorrow in Rose's passing. We have felt close to Rose and Ed for more than forty years when we met them at Concord, Holstein dinners, and Town and Country and of course in the course of our daily lives. We will never forget Rose's sunny disposition, wit, and her occasional slightly sly comment given with just a twinkle of the eye. We loved Rose and will miss her. She was one of the world's anointed. We all can be glad she was a part of our lives.
