“ Sarah and I lost both our spouses within a few years apart. My kids moved on, and I needed someone to help me with my rent and bills. She moved in and we spent the next few years in friendship. She was very vibrant and ready to try anything new. We loved traveling and going into the mountains. She will be greatly missed. I'll see again my friend in heaven

“ Sarah was one of my best friends in high school. We took different paths in life and have not seen each other in years, but I will always remember our days together when we were young.

“ I am shocked. I only knew Sarah for a short time but we share time together and I was very fond of her. She loved the Mountains here in Montana. I am so sorry for your loss and she holds a place in my heart. 😞
