“ *Seth, you are a good man. We cannot thank you enough for being so nice to us and such a good neighbor to our daughter, for looking out for her so much, for all you've done for her, and for being a good friend she could count on at any time, day or night. You brought us peace of mind and for that we will be forever grateful. We will remember you with love and appreciation for who you are, a wonderful father so proud of your kids, and a true kind soul. We will grieve for your loved ones, while rejoicing for you in Heaven, free of the chains that bound you in this world.*
With love and thanks,
