“ *My deepest and sincere sympathy to Ray, Haley, Kyle, and the Litzenberg family. It is with a heavy heart that I write this, as I have lost an old friend. We had some great times! I will never forget the moments shared, the abundance of laughter, and crazy times. We didn't get to have that dinner we kept talking about each time we ran into each other, time just went so fast. No more pain Sheri... dance in the heavens and embrace your eternal life. Move over when I make my entrance through those gates...we will have the biggest celebration that will never end! It's not good-bye, it isn't! I will feel your presence and listen for your giggle. You have earned your wings, so fly high my friend! Rest in peace Sheri! Love you!*
