“ *Our deepest sympathies to Ron and Sue's family in this time of deepest sorrow. I worked with Sue a few years back. She was so effervescent and lively and full of fun. But, I saw the true caring side of her — not only as a nurse, but a friend, and as a wonderful human being towards others. She was never pretentious or put on, but genuine. I know she will be greatly missed. Our prayers and thoughts are with all of her family. Debbie and Bill Dunkle*

“ *My deepest sympathy's to the family. Due and I went to school together and we're good friends. We reconnected when I got hired at Trinity. We had many long talks at work about life and family. We had many good times in high school she was a down to earth girl. My heart is sad. Blessings to all* ❤️

My deepest sympathy to the family. I was a resident at Trinity for 10 months and went home a year ago and I remember Sue as being so nice. I called her "Sexy Susie" and she would just giggle. She was a special lady.
