“ So sorry to hear about your Mom's passing. I got to know "Snooks" at Country Springs in Sligo, where she was my Mom, Veronica's best buddy. We all grew to love your Mom. I loved her spirit, her faith, her love of decorating for the holidays and I always commented on how "dolled up" she was. I never saw her without a cute outfit, makeup, hair done and the perfect accessories. Even after my Moms passing, 2 of my brothers that live local would stop by to say Hi to her. She was a special person. My sympathy to you and your Family.

“ Patti and family,
I am so saddened with the news of Snooks passing. She was one of the dearest women and friend I had ever known. We lost touch after she moved away after having her stroke, but she had never been missed in my prayers. She was one of the first to hold my son James at birth and my children loved her as their own Grandmother. I am sure she will keep an eye on her loved ones as she never had anything but wonderful stories to tell about her family.
You have my prayers at this time.....

“ Dear Judy, Ron and rest of the family...
How saddened we were to read online of "Snooks" passing....I
talked with her right before starting South...we are in FL right now
so unable to give our condolences in person....how we appreciated
getting to know her from Country Springs when my mother was
there too and how we enjoyed all our visits and phone calls with her
over the years...she will be missed...what a wonderful Christian lady
who took everything in stride and always made you feel better by
visiting with her...we grew to love her and our hearts are
saddened...but so glad our paths crossed in this life and know we
will meet again over there!
May God's comfort be with you all...
In His love,
Lois and Bill Eisenhuth
