“ Tom and I met at NCR Corporation in the early 1980's and quickly became friends. Through this friendship I met his beautiful wife Dory and his 4 children. I was welcomed into his home as if I were family. Over the years Tom and I stayed close and did many things together including him being my best man in my wedding. Even after moving to Florida, We remained close and visited back and forth. Tom became friends with many of my Florida neighbors and we all did some crazy things together with him being the funny instigator. Tom will be missed by many. Sincere condolences to Tom's children and family. RIP Tom.
