“ Jo Ann May God help you in this hard time. It is always hard to lose the love of your life. No words can say what you feel right now. Nothing will take away the pain you feel now. Only time and the help from God will get you through this. Remember family and friends are here to help you through this very hard time. Time heals all wounds. This a big one.

“ I had the privledge to have known both Tom and JoAnne.
Tom had a wonderful sense of humor and a huge heart for his deer and critters. There was always room at the table to shoot the breeze, laugh, and give advice. Tom had no fear of anything that I knew of, but he just couldn't see someone go in need, a helping hand he always extended to all.
JoAnne my heart aches tonight for you, my health prevents me from coming to Petrolia, but please do know your in my thoughts and I am asking God to get you through this.
If you should need anything I am sending you my cell number on instant message. My love to all his kids and grandkids and you my friend.
