“ To Tina, Jim, Louise, Chris, and family,  
We are deeply saddened and still a bit in disbelief by Tim's passing. He was a good guy and will be missed greatly! I can still see his cute little face and blonde hair when we would play ball over in your yard when we were young kids. Even though we didn't get to see him much as adults, we will truly miss him, as he was part of the Elk City "family"! Praying that our God of all comfort will wrap His ever loving arms around you all and provide the strength, peace, and comfort that only He knows how to provide, just when you need it the most. Luv you guys!!

I just found out that Tim passed and my heart sank. A thousand memories came rushing back. Tim was an extraordinary individual who treated me like a brother from the moment we met. A genuine, honest man who had the patience to teach, if you were willing to learn. From deer hunting to snowmobile trips. I still remember a frozen Memorial Day weekend camping trip on his land near the Clarion River. We made it work. I always felt welcome and included. I have great memories of how happy Tim and Tina always were. I remember a very young Casey and even younger Brandi. Tim was a proud father. To this day, when I see a 1970 Chevelle, a bottle of Kessler's or hear Hank Williams, Jr, I think of Tim. I remember a buddy of his stopped by while I was helping Tim in the garage. Not sure how it happened but the dude got upset with me and said to Tim, 'who is that, the F%\*\$?#@ Governor.' Tim looked at me, nodded and said 'Governor'. And that was that. A joke that turned into our greeting. I let too much time get between us and missed the opportunity to catch up and reconnect. You have always been a great friend and you will truly be missed Governor. Tina, Casey and Brandi you are in my thoughts and prayers.
