“ We loved “Flirt” very much. She was a beautiful lady and she was my mother Betty MCGall’s best friend since childhood . She would call and talk to mom all the time and loved telling old memories. We loved hearing from her. She is in heaven now with her Harry and mom and dad catching up on old times. We will miss her. Our sympathies to Pat and Mike and all their families.

“ Flirt was such a great lady. I know she is with God and Harry now. I will miss her, but I know that her and my Grandma Betty are catching up with each other as they were best friends to the end. I will miss hearing all the stories of them growing up, and all the mischief they got into. My sympathies to you all on the loss of such a wonderful lady. Know that she is at peace now. We all have an angel to watch over us.
