“ Billy was my childhood friend and we also attended Moniteau Highschool together. He was great to be around when we were kids. His birthday parties were fun. I remember when he wrecked his pedal bike down Argentine Hill, he lost his brakes after his chain came off. I remember one time he laid out on the road so Cookie the bus driver had to wait for him to get off the road. His mom also made the best chili. I will always remember great memories of him and growing up together and driving old cars in his field by his house. I am sorry for your loss. He was very kind hearted and I don't think that would have ever changed in him when he became an adult. Go with God Billy!!!!
