“ I wish sincere sympathy to the Family of Bill Eichner. I have grateful memories of Bill's 40 years of service to the Sisters of Divine Providence in the area of Property Management and Upkeep of Grounds. Be assured of my prayers for Bill and the the Family. I am sure he will be missed by many people. Even after he retired, Bill never missed our employee recognition gatherings. We always included him and he always came to check on his "former employees" and to visit with the sisters. I am sorry that I will be unable to visit the funeral home as I am living in Rhode Island. ”

“ I will miss Bill and his great concern for others. He was very passionate about life, faith and family. Bill always researched areas of interest in the electric industry and would share them with me. I enjoyed his apple cider that he would share. Bill could fix almost anything that was broke. I am blessed to have called him my friend.

“ We will miss having Bill's many years of knowledge and thoughtful insights on the Central Electric Board. He was a very caring man that always wanted the best for the members and employees of our co-op. I was privileged to be seated beside Bill and have many wonderful memories of his stories of service and tinkering in his garage after retirement. He will be dearly missed...
