“ My deepest sympathies to Bills wife Kathy and all her family and Bills friends. To his daughter Kimberly (Jeff) Heller and his son Terry (Sue) Scheehle. A couple memories from our time in Ohio for me were of Bill racing past our house on his horse, from delivering papers i believe. Going like his pants were on fire to his home about a mile away from ours. Another was the time our cousins in Martens Ferry, Ohio talked him into believing he could jump off their garage roof with an umbrella. I think that was why he became an Army paratrooper. Our memories will keep him alive till we meet again. Bruce Scheehle 1st cousin.

“ My deepest sympathies to Bills wife & his entire family . I worked with Bill at Superior & considered him a great guy & friend . I retired 6 years ago but kept in touch with him a few times over the years . I called him Uncle Bill not for any reason just to have some fun I guess . He was someone who would help you out & didn't mind being asked . God Bless all of you during this time of mourning.
